Rick-

I would appreciate getting a "Readme" file for the "8_30_2011(2)_RE_jones_request_email_ESPAM_Files.zip" file that has been posted to the web page. I recognize and understand many of the files- but not all of them. This will save a lot of time and confusion.

Thanks-

John

John,

Our initial response to question 2 is that we don't recall a CD that was released in relation to the Jones order. There was a CD released related to the Coalition call. However, we will check our files in response to your request.

Thanks,

Rick

Hi Rick.

Two questions:

1. Does this include all files that were used to develop FF 58 to 62 in the Order?
2. There was a CD released by the Department in 2005 regarding the Jones order. Does this have everything that was on the CD?

Thanks!

John

John,

In response to your question, a very large zip file has been posted on the Department web site:

http://www.idwr.idaho.gov/browse/WaterMngmt/Jones%20Delivery%20Call/requests%20and%20responses/

The name of the file for you to download is 8_30_2011(2)_RE_jones_request_email_ESPAM_Files.zip

Please call either me or Allan if you have questions.

Thanks,

Rick

Rick-

Does IDWR still have the modeling files and spreadsheets from the 2005 Jones Order?
