STATE OF IDAHO

OFFICE OF THE ATTORNEY GENERAL

ALAN G. LANCE

November 20, 2001

RE: Motion for Order of Interim Administration in the Eastern Snake Plain Aquifer

Dear Water User:

In response to the drought, the Director of the Idaho Department of Water Resources issued orders creating the American Falls and Thousand Springs Ground Water Management Areas for the purpose of administering certain ground water rights. In reaction to these orders, representatives of ground water and surface water users signed stipulated agreements that provide a frame work for the administration of hydrologically connected water rights for the next two irrigation seasons.

The Director intends to create water districts to implement these stipulated agreements and to provide for long-term administration of the hydrologically connected surface and ground water rights. The Office of the Attorney General has agreed to initiate this process through the Snake River Basin Adjudication Court. Part of this process requires notification of potentially impacted water users. Therefore, this mailing is being sent to all recorded users of water (except those whose use is solely for domestic and/or stockwater purposes) in the affected portions of Basins 35, 36, 41 and 43.

Enclosed are the following documents: (1) Motion for Order of Interim Administration and Motion for Expedited Hearing and Notice of Hearing; (2) Brief in Support of Motion for Order of Interim Administration; (3) Affidavit of Tim Luke, Section Manager for the IDWR Water Distribution Section; (4) the SRBA District Court Order and Notice of Hearings; and (5) an area map showing the affected portions of the Eastern Snake Plain Aquifer.

An informational meeting to address any questions on this topic is scheduled for **Monday, December 3 at 7:00 pm at Declo High School, 550 E. Main, Declo, Idaho**. Director Karl Dreher will host the meeting. By working cooperatively, we look toward establishing mechanisms that will ensure orderly and fair delivery of water within the Eastern Snake Plain Aquifer.

Sincerely,

CLIVE J. STRONG
Deputy Attorney General
