Re: Orchard Ranch, LLC

To Whom It May Concern:

I am submitting this letter on behalf of Orchard Ranch, L.L.C, who owns approximately 3,500 acres Southeast of Boise, Idaho. The proposed Orchard Ranch development consists of approximately 2,781 acres in Ada County. We have filed applications to appropriate ground water with the Idaho Department of Water Resources to Orchard Ranch. This letter will detail our financial capability to complete the project.

We paid in excess of \$12,000,000.00 for this acreage. We have also spent approximately \$2,000,000.00 in project soft costs including engineering and planning. We have access to the capital needed to fund further development costs including completion of the production wells and irrigation equipment. We appreciate your time and consideration to this matter.

Sincerely,

Robert J. Knorr
