Also, we have tried to get information from the protestants voluntarily but they haven't been forthcoming with anything. If we have to wait til November, I'd like for John to solicit information from the protestants now about their wells and water rights so we can begin preparing the information to address whatever concerns they may have. Hello Denise,

I hope all is wells.

Regarding the Ark Properties LLC and Mayfield Townsite LLC prehearing conference, at this time I have NO scheduling conflicts in October, November, or December. Any open date is fine.

Thank you,
Scott
