Subject: Clarification of Amended Application for Permit No. 63-32703  
Amended Application for Transfer No. 73834

Dear John,

We are happy to respond to a letter originally sent to Norm Semanko on January 12, 2011. As always, we strive to coordinate our efforts with our client's attorney-of-record. We apologize for the delay in our response.

Your letter asked for clarification of two points. Our answer is provided below:

- We requested the applicant return the original applications to SPF for submittal and believe we filed the originals on January 5, 2011. However, with the quality of modern printers we may have inadvertently submitted a copy. If so, we apologize. We will bring our file to your office at our earliest convenience to compare the two documents (one which we submitted, and one stamped "Copy" in our file).
- The correct address for Orchard Ranch LLC is P.O. Box 1260, Maricopa, AZ 85139 as shown on the amended applications submitted January 12, 2011. A previous submittal apparently contained a typographical error showing the zip code as 85239.

Thank you for this opportunity to clarify the amended applications.

Sincerely,

A handwritten signature in cursive script that reads "Roxanne".

Roxanne Brown
