COMES NOW, Counsel for Claimants/Objectors and all Intervenors, and hereby submit for the Hearing Officer's approval the following Stipulation of the parties to extend the summary judgment briefing schedule and submission of a new date for hearing on the Motions for Summary Judgment currently scheduled in the above-entitled action.

1. Presently the Claimants/Objectors' Responses in Opposition to the Intervenors Motions for Summary Judgment filed and served on or before February 12, 2010, are due to be filed on February 26, 2010. The Intervenors have agreed to allow the Claimants/Objectors an additional week to file their Memorandum in Opposition to the Motions, which will make the date due for the filing and service of the Memorandum, March 5, 2010.

2. In exchange, the Claimants/Objectors have agreed to provide an additional week to the Intervenor to file and serve any Reply Memorandum to the Memorandum in Opposition to the Motions for Summary Judgment, which will make the date due for filing and service of the Reply Memoranda March 19, 2010.

3. Because of the length of briefing in this matter, and the large volume of exhibits accompanying the briefing, all counsel believe that more than one week is necessary for the Hearing Officer to have to time to adequately review all briefing and, therefore, propose that the new hearing date be set to Monday, April 12, 2010, at 10:00 a.m. to be held at the Idaho Department of Water Resources.

Dated this 21st day of February, 2010.
