PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 63-31511

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. Enclosed is an order reinstating the permit advancing the priority date since proof was submitted after the proof due date. However, the advancement of the priority date was only adjusted based on the late filing of the Request for Extension of Time on September 1, 2004. The department's delay in responding to your request and ultimate correction of the filed document had no effect on the new priority date.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions concerning the field examination, you may contact the **Western** Regional Office of the department in Boise at (208) 334-2190.

Sincerely,

A handwritten signature in cursive script that reads 'Deborah J. Gibson'.
