Re: Application for Permit No. 61-12090

Dear Roxanne:

You requested another 60 days to provide additional information for the above referenced application. The request was timely and the applicant has shown good faith efforts to move ahead – for example, our meeting yesterday to discuss this application and related matters. The request is therefore approved.

The additional information noted in my August 31, 2007 letter is due by January 16, 2008. Alternately, another request for more time can be made by that date. The application will be voided without a timely written reply.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Lester". The signature is fluid and cursive.

Steve Lester
Water Rights Supervisor
