Subject: Marty Goldsmith application for permit

Dear Mr. Lester,

Enclosed on behalf of our client, Marty Goldsmith, we are pleased to present the enclosed application for permit to appropriate up to 10 cfs of ground water for municipal use in Elmore County, Idaho. The application seeks up to eight wells providing water for up to 8,000 homes in a new development being proposed in the Indian Creek / Mayfield area. The applicant has an agreement to purchase the property from the current owner, Ark Properties LLC. A water company or water district will ultimately be formed to own and operate this IDEQ regulated public water supply system.

Also enclosed is a check for \$610 covering required filing fees. Please let me know if you have any questions or need further information.

Sincerely,

Scott N. King, P.E.
Senior Project Engineer
