

TO: APPLICATION FOR PERMIT FILE 63-32499

FROM: DANIEL A. NELSON

DATE: 12/19/07

SUBJECT: THINGS NEEDED TO PROCEED WITH PROCESSING

This application has been reviewed and should be just about ready for advertising depending on the review from our technical staff at the State Office. Please see Steve's notes for additional information. If the technical staff gives a positive review, I would double check everything and send it in for advertising.
