RE: Change in Ownership of Water Right Nos. 63-31759 & 63-31770

Dear Mr. Aiken:

The Department of Water Resources was contacted by Ronald Kadziel, president of Highplains Estates Homeowners Association in Utah. Mr. Kadziel has informed the department that there are two water rights that need the ownership changed. Mr. Kadziel requested that the department send you the proper forms needed in order to change ownership on the water rights mentioned above in this letter. Both water rights are currently owned by Shirley Adams Sharp.

Water right no. 63-31770 is in permit stage. Because this water right is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that there is a \$25 filing fee required.

Water right no. 63-31759 will require completion of a Notice of Change in Water Right Ownership form in order to complete the ownership change for this right. Enclosed is the ownership change form for your use. Please read section 2 as it outlines the required information that must be submitted with this form. Please note that there is also a \$25 filing fee required for this change.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. You may also contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Darla Block".
