Re: Application for Permit No. 61-12090

Dear Mr. Westra:

In response to your letter dated June 6, 2008 concerning the above-referenced matter, on behalf of Mr. Van Grouw I would like to request an opportunity to proceed initially with the direct contact option. Toward this end, I plan to contact the Applicant's consultant, Roxanne Brown of SPF Water Engineering, to schedule a July 2008 meeting among the parties and their respective technical consultants to discuss the issues raised by the Protest. Please let me know if you have any questions or need any further information about this matter. Thank you.

Sincerely,
