RE: Scheduling a Hearing for Application for Permit No. 63-32499, Mayfield Townsite

Dear Interested Parties:

The Department of Water Resources is preparing to schedule a hearing in the matter of the above referenced water right application, which has been protested. Attached please find a calendar for the months of October and November 2009. Dates were previously set for September 22 through 24, 2009 however there was a conflict with the location.

Please check your schedule and indicate the dates in which you are *available* for this hearing. We are looking at scheduling three (3) consecutive days to hold this hearing. I have also indicated the *unavailable* dates on each calendar. Please return the calendars to IDWR within 30 days of receipt of this letter.

Thank you in advance for your cooperation. If you have any questions, please feel free to contact this office.

Sincerely,

John Westra
Western Regional Manager
