**Subject: Request for Extension of Time, Permit 63-31966**

Dear Shelley,

Enclosed on behalf of Avimor Partners, LLC, is a *Request for Extension of Time* to provide additional time in which to submit proof of beneficial use for water right permit 63-31966. The current proof due date for the permit is March 1, 2015. As discussed with you on the telephone January 8, 2015, the Department granted an extension for five years on this permit January 28, 2010, before implementation of Section 42-204(4), Idaho Code, which allows up to ten years for diversions of 2.0 cfs or more. Because permit 63-31966 authorizes development of 5.0 cfs and the permit holders continue to exercise due diligence towards permit development, an additional 5-year extension is being requested at this time.

Check No. 9017 is enclosed for the \$50 filing fee.

Thank you for your consideration Shelley. Please let me know if there are any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Lori Graves".
