Bruce,

As we discussed on the phone earlier this week, your client has a question about one of the conditions on the draft permit and you will be sending me a letter regarding that question. Since I am leaving for vacation over the Holidays and I haven't seen your letter yet, I'll wait to issue this permit until after I return to the office on January 4th.

Nick.

Bruce,

I received your fax this afternoon requesting I hold approval of Permit 63-32499 until December 22, 2015. Since you represent the applicant, and no protestants or intervenors remain (other than Ark Properties, which is John Mc Callum), I see no reason why I shouldn't hold the permit as requested.

Have a good vacation and I'll plan to issue the permit on December 23, 2015 unless I hear from you before then.

Nick.

Mayfield Townsite LLC

Dear Nick:

The Idaho Department of Water Resources letter dated November 19, 2015 requesting comment on draft permit No. 63-32499 was sent at an inopportune time - just before Thanksgiving. In addition, Mr. McCallum did not get a copy due to an incorrect address. I have forwarded him a copy now. It will take some time to review and discuss the draft with him. I am leaving December 2, 2015 for a ten day family trip and cannot talk to Mr. McCallum until I return. I would like an extension of time to consider the draft and respond to the Department prior to issuance of a preliminary order. I would appreciate an extension to December 22, 2015. Certainly if I can get a response to the Department before that time, I will be glad to do so. Thanks for your consideration.

Sincerely,
MOORE SMITH BUXTON & TURCKE, CHARTERED
