**Subject:** SeaPac/Jones Information Request  
**Date:** Tuesday, September 27, 2011 2:25:37 PM

---

Hi Rick-

I sent you several information requests about the SeaPac/Jones diversion and spring flow data. These are posted on the web site. There was a response to my request for the modeling files that were done for the Jones call and a request for a README file. But I have not yet seen anything about the diversion data request.

Could you please let me know the current status on this?

Thanks-

John
