DEPARTMENT OF RECLAMATION

RESTORATION OF A PORTION OF)
CRITICAL GROUND WATER AREA)
_____)

RAFT RIVER CRITICAL
GROUND WATER AREA

WHEREAS, Under the provisions of Idaho Code 42-226 to 42-239, the State Reclamation Engineer, on July 23, 1963, designated the following described area as a "Critical Ground Water Area".

Beginning at a point on the southerly boundary of the Burley Irrigation District on the line common to Ranges 24 and 25 East; thence South on said range line to the westerly boundary of Marsh Creek Drainage; thence southerly on said westerly boundary to Harrison Mountain; thence southerly on the westerly boundary of Raft River Drainage to the south line of the State of Idaho; thence east of said south line to a point on the easterly boundary of Raft River Drainage; thence northerly along said easterly boundary to the Snake River; thence westerly along Snake River to the easterly line of the Burley Irrigation District; thence southerly and westerly along the boundary of said District to the point of beginning

AND, WHEREAS, Subsequent study and investigation have indicated that the boundary of said "Critical Ground Water Area" may now be modified by excluding a portion of said area from such designation:

NOW, THEREFORE, It is Ordered, That the Raft River Critical Ground Water Area is hereby modified by excluding therefrom the following described area:

Beginning at a point on the east boundary line of Section 36, T. 10 S., R. 24 E., common to the boundary of the Burley Irrigation District and the range line between R. 24 and 25 E., thence south along said range line to the SW corner Sec. 7, T. 11 S., R. 25 E.; thence

easterly to the SE corner Section 12, T. 11 S., R. 25 E., thence northerly to the northeast corner of Section 24, T. 10 S., R. 25 E.; thence easterly through the center of T. 10 S., R. 26 E., to the northeast corner of Sec. 24, T. 10 S., R. 26 E., thence northerly following the range line common to R. 26 and 27 E., to an intersection with the township line common to T. 9 and 10 S., thence easterly along said township line to the southeast corner Section 33, T. 9 S., R. 28 E., which is also a point on the Cassia-Power County line; thence following said county line northerly to Snake River; thence following Snake River westerly to its intersection with the easterly boundary of the Burley Irrigation District; thence southerly along said Burley Irrigation District boundary to the point of beginning.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the State Department of Reclamation at Boise, Idaho this 2nd day of August, 1965.

Carl E. Dappin
State Reclamation Engineer
