**BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO**

IN THE MATTER OF DISTRIBUTION OF) STATE AGENCY GROUND
WATER TO WATER RIGHTS NOS. 36-02356A,) WATER USERS' PETITION TO
36-07210, AND 36-07427) INTERVENE
_____)

The State Agency Ground Water Users (the Idaho Department of Fish & Game, the Idaho Department of Health & Welfare, the Idaho Department of Juvenile Corrections, the Idaho Department of Lands, and the Idaho Transportation Department), by and through their counsel of record, Michael S. Gilmore, Deputy Attorney General, hereby petition to intervene in this proceeding. The State Agency Ground Water Users allege:

1. The State Agency Ground Water Users and their main addresses are:
 - (a) Idaho Department of Fish & Game (IDF&G), 600 South Walnut Street, Boise, Idaho 83712.
 - (b) Idaho Department of Health & Welfare (IDH&W), 450 West State Street, PO Box 83720, Boise, Idaho 83702-0036
 - (c) Idaho Department of Juvenile Corrections (IDJC), 400 North 10th Street, 2nd Floor, PO Box 83702, Boise, Idaho 83720-0285
 - (d) Idaho Department of Lands (Lands), 954 West Jefferson, PO Box 83720, Boise, Idaho 83720-0050.
 - (e) Idaho Transportation Department (ITD), 3311 West State Street, PO Box 7129, Boise, Idaho 83707-1129

In addition to these main addresses, the State Agency Ground Water Users have many other addresses throughout the State.

2. At least one of the State Agency Ground Water Users (ITD) received a letter from Water District No. 130 watermaster Cindy Yenter stating that ground Water Right Nos. 37-20852, 37-7372, 37-7457, and 37-8005D¹ will be subject to curtailment or required mitigation. However, two of the ground water rights listed in that notice sent to ITD (No. 37-7372 and No. 37-8005D) are shown by IDWR records to be held by Lands and others. See footnote 1.

3. The threat of curtailment or mitigation and the short procedural window that IDWR has given for responding to the watermaster's letter gives the State Agency Ground Water Users a direct and substantial interest in this proceeding that justifies granting their petition to intervene so that they may file their Petition for Reconsideration, Hearing and Stay.

4. The State Agency Ground Water Users petition IDWR to immediately grant their

¹ IDWR records available on its website describe these ground water rights as follows:
