Dear Mrs. Tanner;

Thank you for submitting the 1992 watermaster report and the 1993 proposed budget as we requested. These forms are not filled out correctly, but we are accepting them as submitted.

The 1993 watermaster report is due, as is the 1994 proposed budget, and we do expect these forms to be completed properly. The forms are pretty self explanatory, so should not be difficult to complete. Land lists are not required, even though the proposed budget form asks for them. Other requested information needs to be provided, however, in order for the forms to be acceptable to the Department. We will gladly assist you in this matter.

Sincerely,

James E. Stanton
