

Status of the Final Report for ESPAM2

ESHMC Meeting

November 9, 2012

Presented by Stacey Taylor

Text in the Final Report

- Last meeting: Initial round of comments were incorporated from IDWR and ESHMC on the text
- After last meeting: Sent figures to IDWR for review; received comments back and they have been updated
- End of September: Sent the revised draft to IDWR along with figures, tables, and appendices
- Early October: IDWR sent out the draft to ESHMC along with figures, tables, appendices (IDWR is still in the review process)
- So far, we've received comments from Dave Colvin, Jennifer Sukow, and Mike McVay
- Currently I have included Jennifer's comments

Figures and Tables in the Final Report

- Because of the errors found, some of the figures and tables will be changing

Appendices

- Appendix A (more tables) is complete, but is not yet reviewed
- Appendix B (MKMOD) – Allan sent out draft for review on Wednesday (11/7)
- Appendix C (ESPAM2 Recharge Tools discussion) is in draft form, still needs to be reviewed
