

SVGWD Petition Submission- Projected County Timeline 2015
(*Best case scenario*)

****Note**** County offices are closed on Fridays, unless there's a holiday during that wk.

1/20 Tuesday (1:30- 2:30) @ the Annex

BCCommissioners discuss waiving the bond to cover election costs.

(IF the decision is that we need a bond, this timeline will have to be adjusted accordingly)

Give county staff (7) business days to verify (50) petition signatures.

1/29 Thursday

County submits publication to *IME (ID Mt Express)* legal section (Wed editions) for the presentation of the petition before BCC to form a GWD. (Must run 2wks, 2/4 & 2/11)

2/17 Tuesday

Presentation of petition to create a GWD made to the BCC. (This is the earliest date possible and we hope there is an opening on their calendar on this date.)

The BCC will announce after the presentation a date for the hearing of the petition. Not less than 4wks, not more than 8wks. (Four weeks out is 3/17.)

Larry S has told us that we should have the language for the ballot submitted to Jolynn so it can be discussed by the BCC *the week before the hearing*, so a motion can be made with the correct language at the hearing.

3/9 Monday (or before)

Submit ballot language to Jolynn for review/discussion at the 3/10 BCC meeting.

3/17 Tuesday (The earliest possible hearing date.)

Hopeful date of BCC scheduled hearing for the petition to form the SVGWD.

The following Tuesday (3/24) is the last date possible for a decision from the BCC to have the creation of a GWD on the county May election ballot. BCC also have the ability to call a Special Meeting date if 3/17 and 3/24 are not available.
