Evan,

We'll treat your email as notice to the department you are representing the identified parties. If the list changes, please send Deborah Gibson an email or letter letting us know.

Garrick: I will be representing Eccles Window Rock Ranch, LLC , a Utah Limited Liability Company; Eccles flying Hat Ranch, LLC, A Utah Limited Liability Company and the Sun Valley Water and Sewer District as of now. Depending on the completed formation of the two Blaine County Groundwater Districts, and the evolution of the proceedings on the Big Wood/ Little Wood Delivery Call, this may change. Do I need to put his in a formal letter to the Department? Evan

Evan,

The Department received your notice of participation in the Big Wood/Little Wood Delivery Call proceedings. Can you please provide the Department a list of clients that you will be representing in the delivery call proceedings? It will save time at the status conference if the Department can get that information up front. If you add more clients before the status conference, you can just send the Department an updated list. Let me know if you have any questions.

Thanks,
Garrick
