21 Dec 2015

Subject: appeal final order

From: Richard Parrott <ofarm@lightcom.net>

Date: Tue, 01 Dec 2015 00:00:06 -0700

To: gary.spackman@idwr.idaho.gov, Travis Thompson <tt@idahowaters.com>, "Jones, Doug" <Doug.Jones@idwr.idaho.gov>

CC: "eric parrott (verticalascenteric@msn.com)" <verticalascenteric@msn.com>, Pamela Ritter <pjritter@live.com>, Richard Parrott <ofarm@lightcom.net>

monday 30 nov2015

to idwr others served are listed on the email

I Richard Parrott having consulted with Pam Ritter and Eric parrott am appealing the final amended order concerning 79357 and 79380.

I ask for a face to face hearing or conference call to point out errors and omitted facts in considering the decision

the team writing the decision does not understand hydraulic conductivity

Ed smiths points on priority date were ignored.

Despite hearing officer pointing out lack of monitoring it was not required in the order.
