3. In its response to GWD's request for documents, Clear Springs indicated it would make various documents available for inspection. *Id.*

4. On November 3, 2008, we made a request upon counsel for Clear Springs to inspect the documents Clear Springs agreed to produce (*See* November 3, 2008, e-mail attached hereto as Exhibit "A").

5. On Tuesday, November 11, 2008, Ray Eldridge (one of GWD's experts) and I inspected the documents Clear Springs agreed to produce and requested copies of certain documents (approximately 2,500 pages).

John,

We received a disc with documents but I don't know how they were organized. I don't see the file tabs so I don't know which documents were in which files. Can you explain how they were scanned so we have a better understanding of what's there?
