COME NOW respondents, Idaho Department of Water Resources and Gary Spackman, in his capacity as Interim Director of the Idaho Department of Water Resources (“IDWR”), by and through their undersigned attorney of record, and move the Court pursuant to I.A.R. 46 and I.R.C.P. 84(f)(5) for an extension of time to prepare and lodge the settled agency record and transcript with the Court. Pursuant to I.R.C.P. 84(o), argument is not requested.

This motion is based upon the following:

1. Pursuant to this Court’s Order of October 21, 2010, the agency transcript and record in this matter is due to be settled and lodged with the Court on or before December 3, 2010.

2. Based upon the objections filed by the parties in response to the agency transcript and record as lodged with the agency on October 1, 2010, the incorporation of the record presently before Gooding County Court in case no. CV-2008-551, has had additional delays.

3. Due to other record deadlines associated with matters pending before IDWR, the agency reasonably anticipates that it will be able to lodge the settled transcript and agency record with the Court on or before **December 19, 2010**.

4. The parties have been contacted regarding an extension and they are in agreement to a two week extension.

5. The parties are also in the process of negotiating a stay of the judicial review proceeding pending resolution of the appeal before the Supreme Court in case no. 38193-2010.

Accordingly, IDWR requests an order from the Court extending the time for preparation and lodging of the agency record and transcript with the Court consistent with the foregoing. A proposed order is provided with this motion.

DATED this 15th day of December, 2010.
