

**Eastern Snake Plain Aquifer (ESPA)  
Comprehensive Aquifer Management Plan**

---

**Demand Reduction Working Group Meeting #2**

**Final Meeting Agenda  
August 4, 2009  
8:00 a.m. – 12:00 p.m.  
Teleconference**

**Dial-in Number:** 1-218-486-8700  
**Participant Access Code:** 475392

**1. Welcome, Introductions, Review Previous Agreements/Actions & Agenda**

**2. AWEP Update: Ken Beckmann (NRCS) and Brian Patton (IDWR)**

Goal: Update participants on status of AWEP

**3. Presentation and Discussion: CREP Incentives for Increased Enrollment (Neeley Miller, Lynn Tominaga)**

Goal: Refine proposals for the incentives for CREP.

**4. Update and Discussion: Surface Water Conservation: (Brian Olmstead)**

Goal: Get an update on surface water conservation opportunities on the Twin Falls Canal Company tract. Identify additional potential sites for surface water conservation.

**5. Next Steps and Meeting Scheduling**

- Determine which Demand Reduction programs to research further in other states (Identify relevant demand reduction programs in other states. Propose questions that will focus the research—what do we want to learn from these programs?)

**6. Wrap-Up**
